

Dear Parents of North Butler Athletes,

The Booster Club is requesting your help by working one shift in the baseball/softball concession stand. The money earned in the concession stand is used to purchase uniforms, equipment, team camp/tournament fees, and many other things to support **all North Butler Athletes**. Most evening games run from 5:30-9:30 so please arrive 30 minutes early to get things ready (arrival times are listed below). I would prefer 1-2 adults or JH/HS students to work your assigned shift. If you cannot work your scheduled date it is your responsibility to switch with someone else on the list. If you received this email and your name is not on the list then you will be asked to help with the football concession stand. If you have any questions please email me at caeiklen@gmail.com or call 641-330-8440. ***Your support is greatly appreciated!***

Go Bearcats!
